

# Parent & Pal Outdoor Adventures

## Fishing Derby & Trailblazer

September 11- 13, 2009 @ Heritage Reservation

Two great programs together on one weekend. Choose from our tournament style Fishing Derby or our round robin style Trailblazer. Open to Cub Scouts, Webelos, Boy Scouts, Venturers and their parents. We promise a great weekend at a super price.

### Fishing Derby: Program Option One

Do you love to fish? Spend a day on Lake Courage and see if you can catch the lunker bass. We have several prize categories including most fish, largest fish, and most poundage. There are three tournament groups so you are competing

against your age group. Cub Scouts, Boy Scouts and Venturers. More than seven miles of shoreline fishing and those with a current BSA swim test can use our canoes or rowboats or bring your own boat. There is room for everyone. Come join the fun. The fishing competition runs from Saturday 6:30 am until 5:50 pm.

### Trailblazer: Program Option Two

Do you love the outdoors and what it has to offer? Outdoor organizations from across the state will be at Heritage to teach Cub Scouts, Boys Scouts, Venturers and their parents about the great outdoors

and some of the sports associated with it. Participants will receive an introduction to firearm safety and have the opportunity to practice what they learned on our ranges: Archery, BB gun (Cub Scouts), .22 rifle (Boys Scouts and Venturers) as well as shotgun (Boy scouts and Venturers). In the round robin style event you will also learn about taxidermy, fishing including casting and shoreline, fly fishing including casting and fly-tying, trapping and wildlife identification.

### Housing and Meals

Both programs include Friday and Saturday night camping in one of our conference center homes (private room or dormitory) or in one of our canvas wall tents with cots or bring your own tent. Four meals from Saturday breakfast to Sunday breakfast and snacks Friday and Saturday night are included in your fee.

### Staffing

If you are interested in volunteering on staff for this exciting, fun filled weekend contact Mike Crane on 412-325-7921 or at michael.crane@scouting.org.
